IN-HOUSE WATER FACILITY

“Water is the driving force of all nature” - Leonardo da Vinci

It goes without saying that water is one of the most important resources required to survive. The world would cease to exist without it. Hence, we have installed a facility for 24 hours uninterrupted water supply, scientifically filtered, ensuring that you never run out of it. It is an independent setup meaning it is only meant for the residents of Girivan Woods.

In addition, yours will be the only community in the area with such a facility. After all, our every effort is directed towards ensuring that nothing comes in the way of your happiness.

A LIFE HIGH ON PERFECTION

GARODIA GROUP

The Garodia Group made a humble beginning to its construction endeavours in 1966. A burning desire to excel and to make a mark in the construction & development industry was and still remains the driving force behind the phenomenal success of the Group.

The construction division made its debut with development of land at Ghatkopar (East), which later came to be known as Garodia Nagar. On completion, it

was the first meticulously planned complex in Mumbai, sprawling over an area in excess of 2,80,000 sq. mts.

In the last four decades, the Group has developed many awe-inspiring residential and commercial projects in and around the city of Mumbai.

The Group's objective has always been of providing affordably luxurious living for all. All efforts and energies will always be channeled to this effect.

OTHER ON-GOING AND COMPLETED PROJECTS:

Commercial:

The Garodia Group has always adopted a 'no compromises' approach to all its projects. All our commercial units enjoy the best of facilities and needless to say, are made using the best construction material, thus enticing excellent response from buyers.

MANNAT TOWERS
